Jim Roche Promoted to Vice President

CHICAGO (October 21, 2016) – Following a very productive first year with the firm, Prometheus Capital LLC, a boutique investment bank and advisory firm, along with its affiliate Club 9 Sports Inc. is pleased to announce the promotion of Jim Roche from Senior Associate to Vice President. Jim was promoted at the firm’s semi-annual meetings held in Chicago late August. Jim has excelled in his performance as a Senior Associate over the past year and has taken an active role in multiple transactions. His efforts and subsequent successes in capital sourcing and transaction execution have far exceeded the anticipated performance level of a Senior Associate. Jim has been and is currently active in transactions in the sports, media, and real estate development related industries.

“We’re very proud of the professional progress Jim has made since joining our practice. He continues to develop his talents at rate greater than anyone could expect. We knew he was gifted and would be a great resource when he joined us, but his growth has exceeded our expectations.” said John Prutch, Managing Partner, [Prometheus Capital LLC](#) and [Club 9 Sports](#)

[Inc.](#) “Jim’s promotion to Vice President is well deserved and, frankly, just the beginning. His continued focus on client relationships will undoubtedly lead to him becoming an exceptional investment banker.”

About Prometheus Capital LLC www.prometheuscapital.com

Prometheus Capital is a private merchant bank that combines investment banking, asset management, and advisory services to investors and middle market companies in three specialty areas: technology, brands, real estate.

Headquartered in Chicago, the firm maintains a national and global reach through its team of geographically diverse professionals.

All Prometheus professionals have a mix of entrepreneurial, financial and operational backgrounds, so they are acutely aware of the challenges investors and managers face in the day-to-day battle of today’s business environment. This also enables the team to identify unique opportunities and assist clients and companies in their growth.
